

WANGARATTA FAMILY
HISTORY SOCIETY
CELEBRATE
SENIOR'S MONTH

Venue:

Wangaratta Library

Thursday 5th October 2023 10.00 am

Location – Wangaratta Library

Using your Computer and Technology to research your ancestry.

This session will be an opportunity to gain the expertise to explore and record your family history.

Bring along your laptop and we will assist with basic computer skills to ensure you are comfortable using:

- Keyboard functions
- Moving the cursor on-screen with the mouse or touchpad.
- Clicking, right-clicking, and double-clicking the mouse.
- Saving a File
- Downloading and uploading
- Finding, running, and closing a program

During this session we will talk about the programs we have access to on the internet, ***Find My Past, Roots Ireland, All Access Ancestry.*** We will be able to assist with your research and explain how to use the programs to get the best results.

We will also discuss the software available to record your findings

Thursday 19th October 2023 – 10.00 am

Location – Wangaratta Library

Trouble shooting with Family Tree Software

Although Family Tree Maker is the most extensively used program, we will be able to offer assistance with other programs.

Bring along your laptop and participate in the one-on-one tutoring with our experienced volunteers.

These sessions will commence at 10.00 am.

Tea and coffee will be provided during a break for lunch (BYO), this break will also give an opportunity for anyone who will need to move their car if necessary.

Although there is no cost associated for these events, bookings are essential

- ***via our email wangfamhs@gmail.com***
- ***phone 0474 443 626***
- ***at the Library on Tuesday or Thursday between 10.00 am and 2.00pm***
